We do not "graduate" from sinful struggles on this earth. Never do we reach a spiritual plane where we are totally untouched by the traces of former rebellion. The Apostle Paul urged Timothy to "pay close attention" both to his "life" and "teaching". Stumbling into personal sin or falling for false doctrine - both are ways we can finish poorly. "Persevere in these things", Paul wrote, "for in doing this you will save both yourself and your hearers." (1 Timothy 4:16). Let's not presume that we are above a fall. Instead, let's persevere with a holy stamina in life and in doctrine, so that **Jesus** is exalted and **His** people are edified.
